Course: Introduction to BRC Issue 5 Food Safety Management Systems

Duration:

1 day

Who Should Attend:

- **Staff involved in developing, implementing, verifying and managing food safety systems**
- **Personnel with responsibility for conducting internal audits**
- **Personnel with responsibility for supplier audits**
- **General management who wish to acquire a broad knowledge of the relevant food safety standards.**

Description:

This practical one-day course has been designed to benefit all food safety managers, QC personnel and supplier auditors working within the food and drinks industries.

Attendees will gain a comprehensive understanding of the requirements of a Food Safety Management system. We also outline the steps involved in the BRC Certification process, as well as providing participants with an in-depth knowledge of the specifics of BRC Technical Standard – Issue 5.

Topics:

- Introduction to BRC Issue 5
 - Senior management commitment and continual improvement
 - HACCP
 - Food safety & quality management systems
 - Site standards
 - Product control
 - Process control
 - Personnel
 - Course summary/course evaluation
